

**IDAHO 1**

The Idaho 1 Log Cabin is beautiful and perfect to use as a home office due to its great use of natural light and spacious interior. The Log Cabin has large double doors that open into a huge single room, perfect to use as either a relaxing lounge area or as an office either at home or at your desired location! This model is an upgrade to the Idaho 2 Log Cabin with an additional room. The building comes with 70mm thick walls too which means that throughout the winter months, the building will be kept warm. The building comes with a 5-year guarantee but will last for many, many more years.
